

## Husbands Entertained by Community Club

FUNCTION OF NARBERTH WOMEN'S ORGANIZATION

Major J. S. Stewart Richardson, city editor of the Philadelphia "Public Ledger," was the speaker at an entertainment given by the Women's Community Club Thursday evening.

The event was the annual meeting to which husbands and sweethearts are invited. Major Richardson spoke on "Newspapermen in the War," and told of his experiences with the army of General Pershing, and of the European leaders.

He spoke on the Contre Espionage system, of which he was a factor, in the military units of the American Expeditionary Forces. He told of the thoroughness of the system, its attention to detail, with "eyes" on many things that have to do with the successful operation of an army, and using information derived from many sources for important purposes.

His suggestions and recommendations, the result mostly of quiet, painstaking and secret investigations, helped as much as anything else to win the war, he declared. As a consequence of a poor intelligence system Major Richardson cited the Russian Army, a brainless, nerveless giant, he said, out of condition, blundering and reeling along and helpless before an army with superior information.

That was not the case, however, he said, with the American forces in France, guided as they were by intelligence reports of an up-to-the-minute system.

The President, Mrs. E. C. Batchelor, presided at the meeting, which was attended by nearly two hundred members and guests.

The Women's Chorus of the Club rendered three excellent selections, under the direction of the leader, Mr. David Spratt. Although several members of the chorus were absent, due to illness, the program was excellently given, and shows the hard work devoted to the chorus by the members, and by Mrs. A. B. Ross, the chairman of Music. The following ladies sang on Thursday night, Mrs. F. Richard Gifford, Mrs. Lee Manchester, Mrs. H. C. Penno, Mrs. Kelly, Mrs. Stain, Mrs. Charles H. Shaw, Mrs. Harry A. Jacobs, Mrs. David D. Stiekney, Mrs. Lewis Eashy, Mrs. Franklin Dunlop, Mrs. E. G. Schuroth, Mrs. J. E. Bailey, Mrs.

After a brief honeymoon to Wyoming, the couple will return to Chicago.

## SCOUT NEWS

Meeting started at 7:45. There were 26 scouts, scoutmaster and mascot present.

A. B. Lane, Scout Editor.

## Women Voters Hold February Meeting

COUNTY GOVERNMENT IS DISCUSSED BY LEAGUE IN MONDAY'S MEETING

The Narberth League of Women Voters held its February meeting at the home of Mrs. Carroll Downes, 315 Woodside Avenue, last Monday afternoon. County Governments and Courts was the subject discussed.

After the business of the organization was transacted, the meeting was turned over to Mrs. Harry A. Jacobs, who had prepared a number of questions and answers which explained clearly the workings of the governmental machinery of the County.

Mrs. H. L. Schwartz, County Chairman, gave a short, but illuminating talk on the County Courts. She told just what kinds of cases are handled in each court, pointed out the need of a good woman Probation Officer and touched on the subject of the appointment of judges versus the election of judges.

The women are showing a keen and increasing interest in public affairs by attending the monthly meetings in larger numbers, and asking to be enrolled as members of the League.

## Two Luncheons Announced

Women voters of Narberth will be interested in two forthcoming luncheons which were announced at Monday's meeting. One will be held at the Bellevue-Stratford on March 10, when the aspirants to the governorship will be present and speak; the other will be held in Narberth by the local organization, and there will be a speaker who will talk on the Direct Primaries. The date for this luncheon will be announced later.

## ROUND TABLE LUNCHEON

A Round Table Luncheon will be held in the Ambler Town Hall, Ambler, on Friday, March 3d at 1 P. M., in the interests of the local League of Women Voters of the Third Legislative District. Mrs. Herman L. Schwartz, County Chairman of the League, and other prominent women are scheduled to speak. Mrs. T. Duncan Just, of Ambler, Chairman of the Upper Dublin Township League of Women Voters, who is a candidate for the Legislature from this district, will preside. An invitation is extended to all women citizens who may be interested in the work of the League and the approaching Primaries which are of such vital importance in the present political affairs of the State, County and Nation. The tickets are \$1.50 each and can be secured from Mrs. Charles A. B. Hetzell, of Fort Washington.

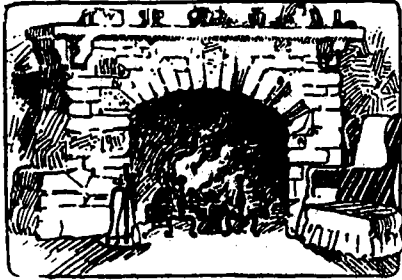

## ENJOYABLE VALENTINE DANCE

A very successful Valentine Dance was held by the girls of the Junior Community Club last Friday night. Over fifty couples attended, and dancing continued until one.

Hearts were used as the scheme of decoration, while the scene was enlivened by quantities of confetti, balloons, streamers, etc. Pike's Orchestra furnished the dancers with a steady flow of the very best music, which did a great deal to insure the success of the evening.

## Tennis Club Annual Meeting Next Month

NEW OFFICERS WILL BE ELECTED  
AND IMPORTANT MATTERS  
ACTED ON

The annual meeting of the Narberth Tennis Association will be held on Friday evening, March 17. Members who have amendments to the Constitution and By-Laws which they want voted on at this meeting, must see that copies of all such proposed amendments, and any other matters that they want included in the official call for the meeting, are in the hands of Secretary W. D. R. Evans not later than February 20.

The annual meeting this year will be of special interest to all members, as several important matters effecting every member, will come up for consideration and decision. One of these questions is whether the Narberth Association should join the Philadelphia and District Lawn Tennis Association, which is affiliated with the National Tennis Association, and another is whether the local Association should enter one of the several tennis leagues in and around Philadelphia.

Then, of course, there is the annual election of officers and members of the Board of Government. But there will be no election of Trustees, as the present members of the Board all hold over for at least one more year.

Tennis members are therefore urged to set aside Friday evening, March 17, for the annual meeting of the Association, and make no other engagements for that evening.

## CARD PARTY

The Ladies' Auxiliary of the Narberth Tennis Association will give a bridge and 500 party on Saturday evening, March 4th, in the Community Club Room of the Y. M. C. A.

Ice cream and cake will be served, and prizes will be awarded. The tickets are priced at one dollar each, which includes the government tax.

## CIVIL SERVICE EXAMINATION

A clerk carrier examination will be held for the Ardmore Post Office on March 4th, 1922, at Ardmore, Pa. Application blanks may be had from William M. Kane, Local Secretary, Ardmore Post Office.

## February Meeting of Borough Council

AMENDED ORDINANCE PRESENTED—INFORMAL DISCUSSION OF PLAYGROUND

The regular monthly meeting of Borough Council was held in Elm Hall last Monday night, February 13th.

The meeting was called to order at 8:10 by the President, W. D. R. Hall. Reading of minutes and rendering of the reports of the Borough Treasurer and the Auditors took up the first few minutes of the meeting.

## A Communication

The Editor of Our Town presented a letter calling the attention of Council to a letter to the Editor in last week's issue of Our Town.

This communication, dealing with the unemployment situation in Narberth, included a suggestion that Council take action with a view to appointing a committee to attempt to ameliorate the situation. It was felt by Council, however, that while they were heartily in accord with the idea itself, that the matter was without the province of the Borough Government.

## Playground Progress

Mr. Robert J. Nash, in behalf of the Narberth Playground Association, addressed the meeting, requesting that all possible speed be observed in issuing the playground bonds, and commencing actual work on the plot.

Mr. Hall explained to him that Council was unable to do anything in the matter until the County officials certified the election. The Clerk of Quarter-sessions must certify that an election has been held, and must authorize Council to issue the bonds. The County has sixty days in which to take this action. After receipt of the formal notice, the Narberth Council proceeds to introduce an ordinance covering the issuance of \$30,000 worth of bonds.

It is hoped that the notice from Norristown will be in the hands of Council by the next meeting, but, at that, it will take at least two meetings to pass the ordinance. The law further requires that a period of thirty days must elapse between the time of

## FIRE COMPANY TO ENTERTAIN

The Narberth Fire Company has been awarded the September meeting of the Montgomery County Firemen's Association.

The organization has a membership of over 900. It is composed of representatives of all the fire companies of Montgomery County.

In order to raise funds to entertain this large body of men, the Narberth Fire Company has issued a number of donation tickets, books of which were mailed the first of this month. The receipts from these, it is hoped, will defray the expenses of the meeting.

Many fine prizes, donated by Narberth merchants, are among those offered to the holders of the lucky tickets. The winning numbers will be announced on March 17, 1922, at 9 P. M.

## IN BENEFIT PLAY

Mrs. Norman Southworth, a former Narberth resident, played the leading role in "A Successful Calamity," given by the College Club of Trenton last Tuesday.

Mrs. Southworth, while in Narberth, was active in the Women's Community Club, and superintended the play, "The Neighbors," given at the School Auditorium last year.

## HOME BAKE

A doughnut sale will be held at the home of Mr. J. E. Nidecker, 208 Iona Ave., this afternoon, from 2 to 4 P. M.

The proceeds are to be used for the building fund of the Holy Trinity Lutheran Church.

### REGULARITY

The success of any organization depends, to a large extent, upon regular and intelligent publicity.

Our Town is dedicated to the dissemination of information about Narberth people, and Narberth organizations. When a play, or a dance, or a concert is to be given, this paper is called upon to furnish the means of spreading the information to Narberth folks.

But the readers of Our Town are interested, not only in a special, occasional money-making event of the different organizations, but in all the weekly activities which go into the general life of any such body.

Also, Our Town must be issued every week, regardless of concerts, dances, or plays. We must furnish our constantly increasing circle of readers with a regular amount of live, interesting reading matter.

This week, when the time came to prepare the issue, it was found that but one or two of our dozen or more active organizations had furnished us with any copy. Phone calls to those in charge brought out the information that they were "busy," or had "forgotten," or were "out of town."

Yet when the time comes for something to be advertised, it will not be necessary for the editor to scramble about for the material. They will be on hand—with bells on, and will wonder why there is not more space reserved for them.

We are constantly appealing to our readers in general to send in Fireside, and other news items, but it is Narberth organizations to which we must look for a large part of our news each week.

Far better a steady series of interesting articles than an unreadably long announcement at the last minute.

Our Town is ready at all times to do its part. Will you do yours.

### THE UNEMPLOYMENT COMMUNICATION

The letter to the editor concerning Narberth's part in the general unemployment has aroused considerable interest among Narberth people, but as yet, nothing has been done by any organization or individual to act upon the suggestion of the writer.

The matter of the formation of an

unemployment exchange was referred to Council in their meeting Monday night, but the members felt that such matters were beyond the scope of that body. Suggestions talked of since that time with other men interested in Narberth affairs have failed to produce any real effort to effect any means of helping those now on the list of the unemployed.

Several letters have been sent to the editor since the printing of the communication, all from those seeking some sort of employment. We have a record of three specific cases in Narberth where work is needed urgently, and at once.

One of these cases is that of an expert machinist, with a wife and three children, who are in serious straits because of the husband's unemployment.

Another communication received was from a Narberth man who has resided here for years, a faithful church worker and respected by his neighbors, who is also among those caught in the general loss of positions.

These two are examples of a condition which is present in Narberth as in every other community. Narberth men must help Narberth men. Everyone has his own troubles, but the idea that "I am not my brother's keeper" perished thousands of years ago.

At the time of writing this, no one has stepped forth to aid in establishing any means of communication between the employer and men needing work. This would not be a big task. Narberth is a small town, but if one man, or woman, was aided in this way, the existence of such a body would be more than justified.

In the meantime the editor has a record of about half a dozen definite cases of Narberth people in serious need of employment. Can not some employing reader aid us in referring these cases to the proper persons.

Your own neighbors are involved.

### ARE YOUR CHILDREN GETTING A GOOD START IN LIFE

Do you realize how important food is in this connection? A furnace cannot burn without coal, nor can it give heat without the proper kind of fuel. Fuel for the human body is just as important as coal for the furnace. Your children cannot be expected to grow into strong healthy men and women without the proper nourishment. To be well and strong physically is one of the most valuable assets in life.

Food is a very important factor in the building up of a strong body. The definite knowledge of food now available makes it possible to provide nourishment that is right in kind and amount to supply the needs of the growing body.

Children do not have the knowledge to enable them to choose foods that best meet their requirement and so they need careful guidance until they have gained such knowledge.

Classes in food selection for Mothers will be organized under the direction of the American Red Cross, Main Line Branch No. 1, Division of Public Health and Child Welfare. Instruction to be given by the Pennsylvania State College Extension Service. Classes will be held in the Well Baby Clinic on Monday afternoons. Mothers desiring to attend will have their children looked after at the same time. No charge will be made for the classes. They will start on Monday, April 3rd, 1922. Stop at the Well Baby Clinic and enroll now!

### CLOTHES FOR THE NEAR EAST

Mothers, when you are sitting home sewing for your own children, do you ever think of the thousands of little children in the Near East whose only hope is the help America is giving them?

They are practically without clothes. New born babies are brought into the Red Cross Relief Centres wrapped in newspapers. Little tots of two and three are brought in clad in wisps of filthy rags and tatters.

The American Red Cross has undertaken to clothe these pitiful waifs. Our allotment on the Main Line must be finished by May and we are very far behind. Anyone who can sew is urgently asked to help make clothing for these tiny sufferers. The garments are all cut and prepared. You can get this sewing to do at home by calling Mrs. S. E. Ewing, Bryn Mawr, Pa. Phone to Bryn Mawr 93.

## THE TOWER OF BABBLE

By Collum Righter

Not so long since, in the presence of the Column, a critic—of the species that is more deadly than the male—saw fit to hurl vituperative maledictions at this honored publication, averging that the sheet never was much account in the Past—was not much account in the Future—owing to the lack of advertising in its columns. We agreed with her in the spirit of her argument, but not in the letter, not in the letter. It is none of our affairs who advertises in Our Town or who does not, but we wish to state in plain terms that any person or aggregation of persons aiding or abetting the conduct of a business in Narberth or living in Narberth and conducting a business outside of Narberth, who does not advertise his wares or his service in this paper is well on the way to membership in that ever-growing "Genus Boob."

In relevant line, we stumbled across an old Spanish proverb last week, which said: "If people don't know what you have, there is not much use in having it." This reeks of truth. Even though our knowledge of Spanish is limited to "The Four Hoarse Men of the Eucalytus," and the Spanish omelet, we will wager one week's wear of a soft collar that the wisecracker responsible for this proverb knew from experience the value of advertising.

Which reminds us that there used to be a chap named Markle in the Milk Business here. George was just about the finest kind of a fellow imaginable. Many's the time that we guzzled buttermilk at his counter, drinking out of that old familiar jelly tumbler. The lacteal delight that he sold could not be excelled this side of Paoli. We ought to know—we raised two youngsters on it.

Wonder what has become of George? The other day a comparatively new resident in town asked the Column where it was possible to secure milk in Narberth. The Column answered with much pride, "Of George Markle." "And who is George Markle?" asked the C. N. Resident.

Space rates in Our Town as well as full data regarding advertising contracts by the year may be procured from the Advertising Manager—Care of P. O. Box 966, Narberth.—Adv.

What matters it if some of our American Legion Buddies do have a wooden leg or two? Is it anything to be ashamed of? We'll gamble the sister of many of them possesses a cedar chest.

### FASHION HINTS TO FLAPPERS

Girls, isn't it just awful that everything from eubs to evergreen is discussed (and disgusted) in Our Town except fashions!

Now I propose to give you an idea of the modish "silhouette" of today—from the ground up.

Never mind how thinly clad are your feet or ankles, so long as you bundle up your neck and cover your ears well. If you ever do wear galoshes, for goodness sake, don't fasten them. The more they flap, the better—and funnier. If your underpinnings are long and thin (or otherwise), expose several inches between skirt hem and shoe top (high or low). It gives you such a look of "Somebody's Stenog." Have your skirt scant enough to prevent stepping over a puddle, and wear a full coat, any length between hip and knee. Whatever you do, don't allow your hair to fall in any natural lines. Curl it and comb it up until it has a Fiji appearance. If the gardener accidentally mows it short enough to show the ears, wear long drop-like earrings—they make one look so much older. To crown this "silhouette," wear any odd hat, pulled well down over one eye. This costume will produce the up-to-date girl in the "Funnies," and there you are—right "in style!"

Fussy.

### INCOME TAX FACTS

In making out his income tax return for 1921, the average taxpayer will find a considerable saving in comparison with the amount of tax paid on the same income for 1920.

The exemptions provided by the revenue act of 1921 are \$1,000 for single persons (the term including widows, widowers, divorcees, and persons separated from husband and wife by mutual agreement), \$2,500 for married persons whose net income was \$5,000 or less, and \$2,000 for married persons whose net income was \$5,000 or more. Under the revenue act of 1918 the personal exemption allowed a married person was \$2,000, regardless of the amount of net income. The personal exemption allowed a married person applies also to the head of a family, man or woman who supports in one household one or more relatives by blood, marriage, or adoption.

#### WESTMINSTER CIRCLE

The February meeting of the Westminster Circle was held at Mrs. E. K. Bauer's Thursday evening, February 2nd.

Definite plans were made for the sketches to be given February 23rd, in the Sunday School room. A share of the proceeds will be contributed to Missions, the same as last year. It is hoped the Sunday School room will be crowded to the doors the evening of the 23rd. There will be lots of fun, and the Missions need your silver offering.

The March meeting will be the spring social, to be held in the class rooms of the church.

#### Husband's Entertained

George B. Supplee, Mrs. Banks and Mrs. E. C. Batchelor.

The room was attractively decorated with a number of pots of large palms.

#### Community Club Notes

Tuesday afternoon, February 21st, is the date of the next meeting of the Women's Community Club. The address of the afternoon will be given by Mrs. J. M. Dohan, a graduate of Smith College.

Mrs. Dohan's subject, which will cover a large and interesting field, will be "The Romance and the Fascination of Old Pottery and Gold." She will speak also of wonderful Indian basketry and fine mosaics and porcelains.

Mrs. Dohan was for some years connected with the University of Pennsylvania and accompanied the expedition sent out from there to Crete. Her talk will deal with things of which we, as Philadelphians, have reason to be proud, and will be one of the most interesting programs of the year.

Previous to the address Mrs. Donnelly will give some excerpts of modern poetry.

In response to a plea from Tuskegee University, the members of the Club are requested to bring to the rooms

on Tuesday afternoon such clothing and small pictures as may be used by the students at the University. They are in great need of clothing, and small pictures will be greatly appreciated to decorate their bare rooms. Don't forget this institution for the education of those of the colored race.

#### THE FIRESIDE

(Continued from Page 1)

Throw a few crumbs to the birds.

Miss Dorothy Seymour Clevenger was a guest at a luncheon last Saturday, given by Mrs. William Ramsey, of Bryn Mawr.

Mrs. Joseph Kealey of 205 Price Avenue, entertained at a Valentine Bridge party on Tuesday evening. There were four tables.

Mr. Fred Hermann met with a painful accident last Monday, when he slipped while entering a street car. His hand went through a pane of glass, and was severely cut.

Mr. and Mrs. Eunor Marsh and Miss Harriet Marsh spent the week end at the old homestead at Atglen. They forgot to tell the milkman that they were going.

A subscriber asks who is to do the pavement cleaning which the law requires. Surely there are enough members of the shovel brigade, juvenile and otherwise, to pick up a few dollars that way after a storm.

Bobby Burns, of Woodside Avenue, is suffering from an attack of mumps. Atta Boo, Bobby! The snowball industry will suffer a setback for a few days. Here's hoping that you will soon be out again.

Miss Josephine M. Gallagher, 310 Woodside Ave., entertained Tuesday evening at a Valentine dinner Miss Helen Hoffman, Miss Catherine E. Torchiana, Mr. William Parker, Mr. William Mitchell, Jr., Mr. J. Gordon Rudolph.

The contemplated week end trip of Mrs. Albert Clift, of Woodside Avenue, to the Pocono's to enjoy the winter sports, was postponed, owing to the fact that all the snow up in the mountains melted. It is hard, shelling on rocks.

Miss Mabel Howard Seymour, of Woodside Avenue, is taking an active interest in the work of the Red Cross along the Main Line. With the co-operation of Mrs. Samuel Ewing, of Bryn Mawr, and the ladies of the Baptist Church of the Evangel, the Narberth Chapter is doing admirable service.

The Reading Circle of the Women's Community Club met on Monday afternoon, with Mrs. Joseph Hongler, of Merion Avenue. Selections from the poetry of Edward Arlington Robinson, including "Isaac and Archibald," and "Lancelot," together with some of his shorter poems, were discussed, and the reading of Queen Victoria was continued. The next meeting will be held with Mrs. Horton Williams, 17 Woodbine Ave.

the passage of the ordinance and the issuance of the bonds.

Even with the greatest speed in rushing the matter through, as Council has promised to do, actual work cannot be started until May or June at least.

It has been recommended that the Playground bonds be offered for sale among Narberth people, instead of unloading the entire lot upon some large brokerage concern. The opportunity to possess bonds based on Narberth property should be an attractive inducement to residents to purchase the bonds in Narberth. An immediate sale of the bonds is assured, however, for Mr. Nash stated that the entire issue could be taken up at once, and at a very reasonable rate of interest.

#### Ordinance Change

Mr. Hall then turned over the chair to Councilman Wentz, and presented a revised Snow Removal ordinance. The new bill, which amends the measure of September, 1920, will help to clear up many points with regard to the responsibilities of the individual property owner and occupant. The changed ordinance, while not any more strict than the original, is so worded as to explain fully the method to be followed, and to define the difference in the treatment of snow and ice. A penalty is provided for violation of this ordinance, as is the case with the measure now in force.

#### Resolution

Mr. Hall also presented a resolution on the death of Mr. C. E. Kremer. After this had been unanimously passed, it was moved that the meeting adjourn at once, out of respect to the memory of Council's former member and president.

The resolution follows:

WHEREAS, the Council of the Borough of Narberth is advised of the sudden death of Mr. Charles E. Kremer, which occurred on Friday, the thirtieth day of January, in the year of

our Lord, One Thousand, Nine Hundred and Twenty-two, and

WHEREAS, during his long and useful career in this community Mr. Kremer filled well and ably many posts of public duty, having been at the time of his death a member and president of the Narberth Board of Health as well as a member and president of the Narberth Fire Company, and having in former years served well and faithfully as a member and as president of this honorable body, to all of which public duties he brought a mature judgment, keen and incisive intelligence and a trained ability in the conduct of business affairs, and

WHEREAS, in his private life he carried high the banner of good citizenship, the shield of his church, the armor of righteousness and the simple faith in the inherent good of all mankind which marked him as a leader in the councils of his community, and

WHEREAS, while the inscrutable ways of Providence are beyond the ken of our intelligence, the members of the Council of the Borough of Narberth, individually and collectively join in the sense of public loss which his death has occasioned.

NOW THEREFORE BE IT RESOLVED, that the Council of the Borough of Narberth hereby records its appreciation of the life and example of the late Charles E. Kremer, coupled with its appreciation of the loss which the community has sustained in his death, and extends to his family its sympathy and sorrow, and

BE IT FURTHER RESOLVED, that a copy of this resolution, suitably engrossed and certified under the seal of the Borough of Narberth, be presented to the family, and that a copy thereof be published in "Our Town," and that these resolutions be spread upon the journal of the Council.

#### THE CYNICAL COMPOSITOR

The home of Mr. and Mrs. Charles Brown was the scene of a beautiful wedding last evening when their youngest daughter Margaret was joined in holy wedlock to Mr. David Preston.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shoemaker, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 3 lines; 5 cents for each additional line.
